DAITOKUJI MORIO

AGE: 88
BLOOD-TYPE: AB

He's essentially the top of the top on the hierarchy of Sugou's bodyguards (laugh)
No bodyguard dares oppose him, so he's likely strong...probably...
But he never goes against his wife (refer to volume 1)

Mike calls him Master but he's hardly taught him before. Rather, he was Tora's martial arts instructor when he was young.
He seems to have looked exactly like Tora when he was young.
...According to the manga.
